

After Hours Care Recommendations

24 Hour Emergency Care Centers

Recommended For:

- Unstable Pets
- Life Threatening Trauma and Medical Emergencies
- Seizures, Bloat, Unproductive Labor, Vomiting without Eating or Drinking
- All urgent cases after 10 p.m.— call first and be prepared for a long wait if your pet is not critical
- All Exotic Animals, if a Clermont Animal Hospital Doctor is Unavailable or Can't be Reached

Note: non-critical patients may be turned away or have a long wait when caseloads are high
